

**REMARKS**

Claims 10 and 31 have been amended to make a typographical correction to change the language "a first coupling capacitor" to read --a first coupling conductor--.

Claims 10 and 31 were both amended to form independent claims by combining elements from the claims on which they depend in the Office Action Response filed February 11, 2004. The previous Office Action Response filed June 12, 2003 included the language "a first coupling conductor" in claim 1 which was combined into claim 10 as well as claim 31 and inadvertently changed in the Office Action Response filed February 11, 2004. Applicant, therefore, requests that this corrective amendment be entered.

**Conclusion**

In light of the above amendment and remarks, claims 10-14 and 19-37 are now all believed to be in condition for allowance. Accordingly, reconsideration and allowance of these claims is respectfully requested.

No fee is believed due with this amendment. Should a fee be due, the Commissioner is hereby authorized to charge the fee to Deposit Account No. 06-1325.

Respectfully submitted,

Date: 6/21/04
